Watching Bevcomm TV

Accessing the Program Guide:
- From the Amazon home screen, highlight the Bevcomm TV app and press **OK**.
- While watching a program, press **BACK** to open the guide.

Navigating in the Program Guide and Watching a Channel:
1. Use the **UP/DOWN** to scroll through programs.
2. Press **OK** for details (Watch, Record, Search).
3. Hold **SELECT** to access channel number.
4. Press **BACK** inside the guide to open the **Tab Bar** (For You, Guide, Recordings, Search, Settings).

Channel Surfing:
- While watching TV, press **UP/DOWN** to jump to the next/previous channel.

Restart Program from Beginning:
- Press **RIGHT** during a program, choose **Restart this program**, and press **OK**. (Some programs may not support Restart).

Rewind, Fast Forward, or Pause Live TV:
- Use the **FAST FORWARD** and **REWIND** to move through content.
- Press **PLAY/PAUSE** to pause or resume live TV.

Quick Guide:
1. Press **LEFT** while watching to open a list of recently watched channels.
2. Scroll **LEFT/RIGHT** to scroll through previous channels.
3. Press **OK** to switch channels.

Closed Captioning:
- Press **RIGHT** while watching program, use to turn captions **ON/OFF**.

Recordings

Making a Recording:
1. In the guide, select program, then Choose **Record** and press SELECT on one of the following:
   a. **Series - New Only**
   b. **Series - All**
   c. **One-Time**

Accessing and Managing Recordings:
1. Go to the **Tab Bar**, then **Recordings**. Categories include:
   a. **Current Recordings**: Watch/delete recordings.
   b. **Future/Upcoming Recordings**: Adjust start/stop times.
   c. **Series Rules**: Manage episode limits, new/all episodes, and recording times.
   d. **Recently Deleted**: Restore deleted recordings.
2. Use remote arrows to switch between categories.

Search

Accessing the Search Feature:
1. Press and hold **OK** or go to **Tab Bar** and press **Search**.
2. Type the name of a program, navigate to **Next** and press **SELECT**.
3. Highlight a program and press **SELECT**.
4. Choose **Watch** if it's airing, or **Record** to schedule it.

Settings

Adding a New Device (Up to 20 allowed):
1. Go to the **Settings** option in the **Tab Bar**, press **Account**.
2. Scroll to **Add Device** and press **SELECT**.
3. A new login and passphrase will be generated.
4. Use these credentials on the TV by following the **Accessing Bevcomm TV** steps above.
5. Scroll to **Pencil** Button to name your new device.
